CAREER AND EMPLOYMENT

- * Are you looking to change jobs but don't know where to start?
- * Has finding a job been more challenging than expected?
- * How much should you be getting paid for the work you are doing?
- * Thinking about getting your G.E.D., but don't want to go back to school?
- * Is college worth your time (or money)?
- * Are you having trouble deciding what career path is right for you?
- * What should you put on your resume?
- * How do I prepare for an interview?

LIFE STUFF AND MORE

- * How do I go about getting my driver's license?
- * I am thinking of moving out of my parent's house, how do I figure this out?
- * Should I live with other people?
- * What does it cost to live on your own?
- * How do I balance my work life with my personal life?
- * How do you prioritize my mental and emotional well-being?
- * How do I communicate with my boss with a loved one?
- * Is culinary the right career path for me?
